

Watson's Newsletter

Why Watson's?

Shihan Watson provides not only the highest quality karate instruction, he keeps you motivated and wanting more.

Courtesy, integrity and respect....these really mean something at Watson's Family Karate.

Watsons develops you both as an individual and a martial artist no matter what your age.

Shihan Watson showed me that anything is possible.

When you achieve a belt level at Watsons it means something, you know you had to work for it.

Watsons is more than karate, it creates future leaders.

Since becoming a Little Dragon my sons behaviour has improved amazingly.

CKKA 50th ANNIVERSARY

Canadian Karate Kungfu Association 50th Anniversary!

On Saturday April 2nd, children and adults assembled at Aurora High School to celebrate 50 years of teaching martial arts in Canada. This year the event was hosted by Watson's Family Karate School that teaches martial arts here in Aurora. There was a BBQ lunch served and all proceeds were donated to the Tsunami victims in Japan. Later on that evening tournament participants enjoyed a banquet at Glenway Golf and Country Club. Our school has great family programs and you can try a free trial class to see if this is a family activity that interests you. Don't let your size, shape, or fitness level stop you from trying a class. Use this newsletter as an invitation to kick start the summer. It would be an honor if you kick start it with us!
